

It is critical that you pay attention to the application procedures, deadlines, and instructions. Incomplete and late applications will be immediately disqualified for consideration. No exceptions will be made. The path to leadership requires attention to detail and faithfulness.

There are three distinct parts to the application. Below is just an overview. More specific directions are included in the application itself which can be accessed using the QR code below.

**Part I** is the background portion. This is where you detail your qualifications. **DO NOT BE MODEST**--It is not bragging if you in fact did it. The more we know the better decision we can make. Attach a continuation sheet to the application if you need additional room.

**Part II** is the written response section. Your answers will provide the faculty council a sample of your work ethic, thought process, and desire for membership. Do your best work on these responses. They are an integral part of your membership application. Pay attention to the required word count.

**Part III** is the recommendation section. You must include **three recommendations** from someone who knows you well. One of those recommendations must be from an FJH staff member. *Relatives may not be used.* You may have each person write a formal letter or use the NJHS forms to make the process easier.

**Deadline for completion.** Your completed application must be turned in no later than February 6, 2024. No late or incomplete applications will be accepted.

In order to access your application and recommendation forms, scan the QR code below. It is your responsibility to print out the application and turn it in to your team NJHS representative (Mr. Broviak, Mr. Stumpf, or Mr. Sturgeon). If you need assistance in printing your application talk to one of those three.
